

PIANC Indonesia Seminar 2024 (Report)

- Outline

PIANC-Japan and the Ministry of Land, Infrastructure, Transport and Tourism (MLIT) successfully held the PIANC Indonesia Seminar 2024 on 7 March 2024 with the support of the Ministry of Agriculture, Forestry and Fisheries (MAFF) and Japan International Cooperation Agency (JICA). This seminar was organized to help expand the membership of both PIANC Japan and PIANC Indonesia and enhance technical exchanges through PIANC.

This occasion brought together port officials from the Indonesian and Japanese governments as well as members of PIANC-Japan and the newly established PIANC Indonesia. Mr. Ikemachi Madoka, Director of the International Planning Office from MLIT, moderated the seminar and facilitated the exchange of opinions on the latest port situation in Indonesia and the promotion of PIANC activities.

Seven corporate members of PIANC-Japan including consultants, construction companies, and manufacturers gave presentations to the Indonesian participants on their activities in PIANC and their technical expertise. Indonesian participants showed their keen interest in the presentations by raising a lot of questions and acquired hints for future development of PIANC Indonesia.
