1. Celebration Event

For the 125th anniversary of PIANC, the organizing committee chaired by the Director General of the Port and Harbour Bureau, the Ministry of Land, Infrastructure, Transport and Tourism (MLIT), Mr. Hayashida hosted a celebration event in the Asian region between the 12th and 14th September 2010 in Nagoya. The Westin Nagoya Castle hotel and the Nagoya Harbor Hall of Nagoya Port Authority served as the venues for the event.

About 700 participants including about 80 persons from 41 countries took part in the celebration. The event was honored by the attendance of His Imperial Highness the Crown Prince. Other distinguished guests were; Mr. E. Van den Eede (President of PIANC), Mr. L. Van Schel (Secretary General of PIANC), Mr. Geoffroy Caude (Chairperson of MarCom), Mr. Ian White (Chairperson of InCom), Mr. Harold Kothe (Chairperson of EnviCom), Mr. Seiji Maehara (Minister of MLIT), Mr. Takashi Shinohara (Vice-minister of the Ministry of Agriculture, Forestry and Fisheries (MAFF)), Mr. Masaaki Kanda (Governor of Aich Prefecture), Mr. Hiroshi Katagiri (Vice-governor of Aich Prefecture), Mr. Takashi Kawamura (Mayor of Nagoya City), Mr. Noboru Hidaka (Chairperson of Aich Prefectural Assembly), Mr. Toshiaki Yokoi (Chairperson of Nagoy City Assembly) and Mr. Jiro Takahashi (Vice-chairperson of Nagoya Chamber of Commerce) among others.

The opening address was delivered by the Minister of MLIT followed by addresses of PIANC president, the Governor and the Mayor. Finally, the Crown Price deliver an address in which he admired PIANC’s long term contributions to the development of waterborne transport in the world and congratulated PIANC on its 125th anniversary. He also recalled his lecture “The Thames as Highway” given during the Congress in Osaka in 1990 and his participation in the World Water Forum in 2008 held in Instanbul. The president of PIANC then gave a special lecture to commemorate the event. Mr. Hayashida, the chairperson of the organizing committee, announce the “Nagoya Declaration” as attached on the occasion of the event. Then, the celebration event was closed by the Vice-minister of MAFF.
2. International Seminars

Two international seminars were held on the first and second days of the event. The themes of the seminars were; International Seminar I, “Coastal and Inland Waterborne Transport and Regional Development” and International Seminar II, “Dredging and Environment”. Details of the seminars are provided in the attached programs.

3. Social Events

During the event, the following social events were held;

(1) Welcome Reception

A welcome reception took place at a banquet hall of The Westin Nagoya Castle from 18:00 to 20:00 on Sept. 12th sponsored by the Organizing Committee. Music and dancing performances were enjoyed during the reception.

(2) Aquarium Dinner

A dinner was held by the Nagoya Port Authority at its aquarium from 19:00 to 21:00 on Sept. 13th. A dolphin show was performed before starting the dinner which then took place in front of a large water tank of the aquarium.
Address by the PIANC President

Dolphin Show

(3) Port Cruise and Nagoya Castle and Toyota Museum Observation Tour

A port cruise on a large commercial ferry boast for observing facilities of Nagoya Port was conducted on Sept 14th. Participants were able to experience a performance by traditional Japanese music instrument known as the “Koto” as well as try the traditional Japanese attire such as the “Kimono” and try their hand at catching goldfish. Lunch was also provided. Participants, particularly those from abroad, enjoyed this traditional Japanese cultural event very much.

Participants wearing “Kinomo” with the mascot of Nagoya Port

Participants scooping up goldfish

Originally, the Nagoya Castle was constructed about 400 years ago by Tokugawa Shogun Nate and it is a one of Japan’s most historically important buildings. Participants were able to learn what a traditional Japanese style castle is. The observation program included a visit of the Toyota Museum where vintage cars fabricated by Toyota produce are exhibited. Participants learn about the history and technology of Toyota Motor.

(4) Farewell Dinner

On the last day of the event, a farewell dinner was provided at the Tokugawa Art Museum where historical goods and paintings produced about 450 years ago during the Tokugawa Shogun Nate period which lasted about 300 years were on display. Participants were fascinated by and admired the 450-year old historical goods.

During the farewell party, Nagoya youngsters wearing old armor of the Tokugawa Shogun
Nate did a performance of “Samurai” to entertain participants.

4. Closing

The PIANC 125th Anniversary Celebration Event in Asia lasted 4 days and was graced by the attendance of HIH the Crown Prince and distinguished guests from abroad as well as from Japan. Thanks to the support of PIANC headquarters and presenters of the seminars and other staff involved, the event was a great success. We would like to extend our sincere gratitude to all who participated in the event.

Through this success, we are confident that we will be able to contribute in the future to enhance PIANC activities not only in Asia but also throughout the world.

The presentation materials given during the event will be available from a website of the PIANC-Japan home page (www.pianc-jp.org/en).
“Nagoya Declaration”

The Organizing Committee for the PIANC 125th Anniversary Celebration in Asia, in Nagoya, Aichi, Japan on 12 September 2010,

*Takes special pleasure* in welcoming His Imperial Highness,

*Expresses* its deepest gratitude to Mr. Eric Van Den Eede, the President of PIANC, and to the many other honored participants for attending this event,

*Notes* the outstanding contribution of PIANC toward sustainable economic and cultural development by promoting maintenance and advancement of waterborne transport over the past 125 years,

*Endorses* active efforts by PIANC in developing energy-efficient and environmentally friendly coastal and inland waterborne transport, and for addressing vital environmental issues such as global warming and the improvement of the marine environment, and

*Declares* its intention to further contribute to the world’s development through expanded PIANC activities in Asia, taking this opportunity to host the PIANC 125th Anniversary celebration in Asia in a situation that significance of waterborne transport has been increased in supporting Asia’s remarkable economic growth and connection with the rest of the world.

Nagoya, Aichi, JAPAN
12th September 2010
International Seminar I
