# Promote your products and services

**The excitement is building!** Nearly 10 years have passed since our last dedicated conference on dredging and dredge material disposal.

We have put together a stellar agenda. More than 100 world class speakers are being recruited. Invitations are going out to Latin America, Europe, Asia and the United States.

If your company sells goods and services related to any aspect of dredging and dredge material disposal you need to be in San Diego next October.

**Gain international exposure...**

**Raise awareness about your products and services...**

**Expand relationships with existing clients...**

**Recruit new customers!**

**Benefits include:**

- All meals, breaks and the opening reception in the Exhibit Hall.
- One full conference registration.
- A listing on the conference web site with a link to your site.
- The opportunity to join as a sponsor and further enhance your exposure and reach.
- Access to the attendee mailing list.

**Reserve your exhibit space today...**
